*"If I could mask or stop her singing and bizarre outbursts of national anthems, and spastic utterances, I could neutralise her quim" (him)*

The 'Hard and Fast' Rules Of Freemasonry (as described to me by an anonymous announcer)

(by the unintelligible spastic known by every threatening Scott Stewart Who Allegedly Killed Monica Lewinsky who is in bed with Michelle and Dave). Who the fuck is Monica Lewinsky? And who the fuck is Tristan DeCuna?

The following are central tenets of Freemasonry for the NSW

- 1) freemasons must have a spouse
- 2) freemasons must have a bridesmaid and groom
- 3) freemasons must be better off than their victim
- 4) freemasons must steal stone if they want
- 5) freemasons must be seen by the victim they are giving schizophrenia to
- 6) The payments for a Freemason are apportioned according to their proximity to the victim. This is further apportioned according to the amount and frequency of their proximity. This is a freemasons "dash" or "dare". So payments are made according to a Freemasons dash or dare.
- 7) There is one rule for you and one rule for me
- 8) Freemasons must have a song they sing in bad taste
- 9) you must never kill a ghost
- 10) Damned if you do, even more damned if you don't
- 11) Freemason women are not able to consume alcohol because it is lethal
- 12) Freemason women are limited to only engaging in faunification once, on their wedding night, and not again
- 13) Once a freemason has had sex they can't go back to normal sex
- 14) Ghosts always know when they are dying
- 15) Ghosts have seven seconds of unbounded epilogue on the way out
- 16) Ghosts must not encounter "epiphenous moments"
- 17) Ghosts are able to exchange "sensibilities" freely
- 18) If a freemason gets a word in edgeways, it should be explicitly accomplished
- 19) Each freemason must have a field of special knowledge, their topic of expertise
- 20) All freemasons share their wives with their bretheren (freemason marriages occur within freemasonry, normal observable marriages are invalid, probably because of religion).  
A Freemason can marry 1 ghost and have a different wife

I keep being told over and over again that I am subject to freemasonry, and the whole point of it is that if I do something that the freemasons don't like, then they get to have sex with anyone they want.

All any of them want to do is to have sex with girls, and all they ever do is tell me to do things, and then they tell me not to, then they say that because I did not do it, that I failed and so they get to have sex with anyone they want. All they ever want to do is have promiscuous pornographic style sex, but they think they can not have any unless they blame me for something first. It has been going on now since 23rd november 2007, and in that time they have told me that I have done all sorts of things wrong. What is most important to them, is to remind me that I can never ever have a girlfriend, because they are in charge of everybody, and everybody is them, and I am not one of them, so they delight in excluding me from their club, and they can continually remind and tell me that since I am a victim and not a member, then I can have nothing and no-one because they have it all.

What is freemasonry all about?

Freemasonry (an exonym) is focused on tricking me into doing things I don't want to do, so that the freemasons are confident that it is OK to have promiscuous sex with girls.

MP: A did

S: aokely dokely. But how is that possible? That means you killed the wrong person again?. At least I know who the real leader is now. SO cheers. And may I please have the sample back?

S: hey matee. Here's my next kill (code word remember?) Are you the first male leader? Im nopt giving you a lift homosexual MP leader who forgot to say something to me at the BBQ! Now just realising that they tricked me again and got me to mouth off about their leadership and nearly hypocrite myself into failing to acknowledge the superiority of FM because he has already admitted to conspiring with the other false leader into silence about the theft. Back f luck junkies are second to thieves in my view.
